Subject: Status of Rec Centre

Thank you for your email! In answer to your question, yes, the Spring Meadows Recreation Centre is open today. We're expecting a number of visitors to the Winterfest event. Also, we still have the ESS stockpiles here – we have supplies for 75 guests though I don't know where we would put everyone with the Winterfest going on. Remember – this is the primary location that will be used from group lodging!

I also checked our roster – there are 22 ESS volunteers on-call.

Have a great day!
